Subject: possible dates for follow up meeting on CA oil and gas UIC in Sac

I am going to propose Dec. 10 or 12, 9:30-1:00 for our follow up meeting with the State in Sacramento. Please confirm your availability/preference before I send an invite to everyone. From what I can see of calendars, Dec. 12 looks like it might be bad for both Alexa and Brett, and we need at least one of you. Thanks.
